

ATLAS FOOT SWITCH

The LINEMASTER® Atlas foot switch is a great option whether you are a domestic O.E.M. seeking to expand your export business or an overseas manufacturer looking for world-class quality. This Heavy Duty foot switch was designed for the most demanding industrial and commercial applications and environments. The Atlas takes the weight of the world off your shoulders by delivering reliable performance plus legendary durability. Its snap action with forced disconnect (positive break) on NC contacts meets European as well as U.S. standards. A side entry design was developed to support multi-pedal requests. Only from LINEMASTER® - American made innovation at work.
