## Technical data

### Product properties

|                     |                |
|---------------------|----------------|
| Product type        | Coding element |
| Product family      | Coding         |
| Number of positions | 1              |
| Pitch               | 0 mm           |

### Material specifications

|                                        |                |
|----------------------------------------|----------------|
| Color (Housing)                        | red (RAL 3001) |
| Flammability rating according to UL 94 | HB             |

### Dimensions

|       |      |
|-------|------|
| Pitch | 0 mm |
|-------|------|

### Notes

|                    |                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------|
| Order information: | The packing unit (PU) refers to individual coding profiles. Six coding profiles are located on a coding star. |
|--------------------|---------------------------------------------------------------------------------------------------------------|
